

U.S. Department of State

AUTHORIZATION TO CONDUCT CRIMINAL HISTORY INQUIRY FOR SPOUSE OR COHABITANT

Carefully read this authorization to release information, then sign and date it in ink.

The Department of State is conducting a personnel security background investigation on your spouse or cohabitant to determine his or her eligibility for access to classified information. The Department must comply with Executive Order 12968 and the investigative Standards for Background Investigations for Access to Classified information published in 32 CFR 147. As part of your spouse's or cohabitant's investigation, the Department is required to conduct a National Agency Check, without fingerprint cards, on you.

By definition, the National Agency Check consists of a review of:

- (a) investigative and criminal history files of the FBI;
- (b) OPM's Security/Suitability Investigations Index (SII);
- (c) DoD's Defense Clearance and Investigations Index (DCII);
- (d) such other national agencies checks (e.g., *Joint Personnel Adjudicative System (JPAS)*) as appropriate to the individual's background.

The Department defines cohabitation as living together in a spouse-like relationship. It includes the mutual assumption of those marital rights, duties and obligations which are usually manifested by married people, including but not necessarily dependent on sexual relations.

In order for the Department to conduct a review of the FBI criminal history files pertaining to you, 5 USC 9101 requires the Department to obtain your written consent. By affixing your signature below, you authorize any duly accredited representative of the Department of State to request criminal history record information about you from the FBI for the purpose of determining your spouse or cohabitant's eligibility for access to classified information and/or assignment to, or retention in, a sensitive National Security position, in accordance with 5 USC 9101. Information we collect during an investigation may be disclosed without your consent only as permitted by the Privacy Act Routine Uses enumerated on Standard Form 86 completed by your spouse or cohabitant.
